# Dedication to a CAST of CHAMPIONS

**WINNER'S BRACKET GIRLS** champions in Class A Regional basketball tournament action Saturday at Eastern Oklahoma State College are the Kiowa Cowgirls, coached by Roger Elliot. The Cowgirls trounced Sallisaw Central 57-25 to take the Regional title and the advancement to area play. Team members are (front, l-r) Chan Graves, Elaine Daniel, Debra Glasscock, Cheryl Haynes, Vicki Suter, Nancy Williams, Regina Folsom; standing, Wana Casey, Mary Hensley, Jana Casey, Sonya Hooser, Rita Hensley, LaRee Luna, Rhonda Bird and Elliot. (EOSC photo)

The excitement as the clock rolls around to game time, the pride of having your team at state play-offs, the energy rushing through the veins of players and spectators alike, were all experienced by everyone involved with the 1979-80 girls' basketball team, whether spectator, coach, or team member. The yearbook staff proudly dedicates this year's annual to the team, coaches, and parents involved in creating a winning team.

We are proud of you as we are proud of our school and staff. Any Kiowa student that achieves honors deserves special recognition.

CONGRATULATIONS !

## SCHOOL - A YEAR OF FUN

Opportunities for enjoyment are awaiting around every corner as you progress through your school year.

The thrill of making exciting learning discoveries can be experienced every day.

Our country was developed by people wanting to discover what might be over the next hill or around the next bend. Many interesting areas are still waiting to be discovered, in small places; microbiology, in large spaces; the Universe, and in the study of the complex human system; the operation of the human system with its complex control center. We are in the age of computers, lasers, and nuclear science that we must learn to use to our best interest. As you can see there are many mysterious and fascinating areas that are just starting to be explored.

Learning communication skills such as reading, writing and speaking offers us the opportunity to pursue knowledge in unlimited fields.

Meeting new friends or being with old friends and sharing ideas with them offers opportunities for social development.

Through patient persistent effort we can experience the pleasure of seeing goals accomplished in the classroom, on the ballfield and in the development of our character. This creates a good feeling of accomplishment, and also helps to develop personal respect as well as respect for others.

An attitude and perspective that allows us to see beyond the effort of work to the fun and enjoyment of seeing a goal accomplished is a very valuable asset.

CLARK RHYNE, High school principal

Mr. Rhyne sometimes  
has to grin and  
BEAR it.

1. To load up my family in a Winnebago and tour the United States without mishap.
2. To win the Irish Sweepstakes.
3. Making music with my friends
4. Spending time doing nothing except visiting with a close personal friend
5. Helping others and then watching them take that help and be able to do fine on their own
6. Watching our nation swing from a permissive, liberal attitude to a more sensible, conservative one.
7. Working on my family tree and just doing geneological research in general.
8. Teaching Civil War History, doing research on the Civil War, looking at Civil War books, relics, etc.
9. Making knives, oil painting, goofing around in my shop at home.

Mr. Rhyne and Mr. Casey were asked to tell the World what their ideas for a fun year would be. Their answers are to the right of their picture, respectively. How many of you are surprised at what they said??????

ROYCE CASEY, Grade school principal

1. A year when all students worked to their full ability
2. A complete school year with not one student getting in trouble.
3. To be able to teach and not have to give grades.
4. For each student to sincerely want to come to school every day and to know they would profit on a daily basis from their school work.
5. Each student to become good citizens and good sportsmen and to learn how to win and loose.

Mr. Casey was overheard saying...  
..."This is enough to drive me  
banannas!
